REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach an elongated lighting apparatus comprising as least two elongated tubular members, which are aligned end to end with a region of separation therebetween, and at least two end caps wherein at least one end cap has a protrusion projecting towards the region of separation, and a flexible interconnector enclosing the region of separation, wherein the flexible interconnection is fabricated from a material that allows the passage of light therethrough and being illuminated by a light emitting device proximate to the protrusion as recited in the claims 1 and 22.

Therefore, claims 1-27 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
